1. What is LiveBeyond's mission, and how did the organization come to be?
2. In addition to the work you do in Haiti, you provide aid to areas that have been hit by both natural and man-made disasters. What is some of the recent work you are doing?
3. For people who may be interested, how can they get involved with your efforts? Are there any restrictions or requirements to volunteer?
4. In your time working in these areas badly hit, both in Haiti and in the states, what are the biggest things people need?
5. Tell us about your latest project, what are you currently working on in Haiti?
6. You recently moved your headquarters to the Dallas-Fort Worth area. What led you to that decision and what are your plans for the new warehouse?
7. What is the current state of Haiti right now, are there any immediate needs? If so, what are they and how can people help?
8. What was it like to see the devastation from Hurricane Harvey?
9. You were a part of the relief efforts in Haiti after Hurricane Matthew. What went through your mind after it hit the country?
10. You have been volunteering for over two decades now, can you tell us how you got started in aiding people in third world countries?
11. Tell us about the call to move to Haiti full time, how it did come about?
12. What is the vision you have for LiveBeyond both in Haiti and the United States?
13. Because of the work you do I know you have experienced and seen God's work in the lives of many Haitian people, can you provide us with an example?
14. How has your work in Haiti changed you?
